“ I have alot of memories of my Uncle Ike. He was a barber with Uncle Junior in Flatwoods. They owned the barber shop for more than 50 years. Everyone in town new my uncle. He loved having a garden and he and grandpa grew the tallest corn I had ever seen. He liked motorcycles and bluegrass music. He loved all his family especially his nieces and nephews. I will always love you and the memories we shared when our family would visit and when we talked on the phone. RIP. Until we meet again
God be with you. Love your niece, Amanda Kay

“ I love you papaw I didn't get a chance to tell you about your daughter but I know that you are with her now! I will be praying everything is done the way you truly wanted it. And to come over people and do the right thing. Love you forever and always!

I'm also sorry Papaw you had an envious daughter who believed she was an only child. Shame on them as you would be livid right now. Just praying everyone finds comfort and strength to get through this as people are making it hard to see you! We love you always and forever
