“ I will cherish the memories until we meet again, Aunt B. You were always so kind to me, and our friendship, the laughter we shared, and your support during life's toughest moments will never be forgotten. If love alone could bring you back, you would be here with us now.

“ Brenda was my supervisor at FRMC. She was such a beacon of light to all of us that knew her. She always worked as hard as the employees she supervised. She will be missed. I know when she retired she was really missed. Rest in Peace dear friend. Prayers for Jerry, Peggy and the whole family.

“ *She was among the few of the strongest women in my life. My goal is to become atleast half the woman, mother, and Mimi she was. She never failed to show you in her own way just how much you mean to her. Forever in my heart. I love you Mimi*
