“ It would be hard to narrow down all my Awesome memories to just one. I will forever miss her. I hate I missed so many family reunions because my girls would of gotten to know her better and seen what a loving awesome Aunt she was. I Love all the weekends and summer days we spent with Aunt Carol and Uncle Gary. She will forever be in my heart ❤️

“ Carol Jean was one of my many first cousins who, at that time in life, was more like your best friend or sister even. A time when you knew who your family was, and you spent a lot of time with each other. Carol was a sweet soul, and always there for her family, no matter what was going on in her life. She will be missed, and remembered with great fondness.
