“ You are my best friend for life Dan. I will never have a friendship like we had with anyone else. Since kindergarten our friendship just got stronger as time passed like it was naturally meant to be , we basically became brothers. I will carry you in my heart forever. I love you and am gonna miss you so much I can't hardly stomach it. 😞. But until we meet again bro , go fly with your mom and the angels. No more pain. I'll see on the other side. 🙏🙏🙏
