“ Dear beloved Cousin (sister) I loved you with all my heart ❤️. Through all the good times we always had, from riding our bikes all over Worthington to sneaking out and walking to the park in long dresses and high heels that were way too big for us and getting caught by mom chasing us all the way back home.

“ She was like a second mom to some of us and always loved our kids. She would call herself Granny to them and then always made us laugh. We could talk to her about anything and she would never judge us and always gave us advice. Rest in peace sweet angel till we meet again. Love and miss you always Aunt Debbie
