“ Dorothy and H.B. lived across the street from me when I was a child and they were two of the kindest people I have ever known. We were sad to see them move. A couple years ago I visited Wurtland Nursing Home with my church and I was able to see Dorothy again. She was doing well and was happy. I made sure to visit her each time I came. May God bless and be with the family during this loss. You were blessed to have her in your life for so many years.
