“ Wanda, I remember we were about 10. We were riding bikes from my house to yours, and I was staying the night. I hit a ditch and sprained my ankle. It didn't get bad till later. Your Mom knew exactly what to do. We soaked my foot and ankle in lennament in the bath tub. She was so sweet and gental she even brought my dinner to me. I was afraid and thought I should go home, but she stayed and soothed my fear till I felt comfortable. The next morning my foot was good as new. I thought she must know everything. I have thought often of her kindness and gental ways. I know what a terrible loss this is for you and your family. There is nothing I can say to take away the pain, but She touched my life 60 years ago and I never forgot, I hope I can live my life to her standards. Love and prayers

“ Wanda and family, I am sorry for the passing of Eldean. I remember her from my youth when your family lived at the Racetrack. I would go visit with our mutual cousin Kay. Your sweet mom was always so kind and had a beautiful smile. Hugs and prayers. Barb Baker Stephenson
