“ My mom also lives at StoryPoint and we had many conversations with Freda over this past year and I always enjoyed her smile and easy laugh. She was proud of her career and was easy to talk to. A positive presence!

“ Freda was a kind friend to my mom, Ruth Morganti, while they both lived at StoryPoint, formally The Hearth. Freda would check on my mom, the older of the two friends, when Ruth would miss a meal in the dining room, as they had “their” table with “their” seats where they always sat. Freda and Ruth also were at the Creekside Rehabilitation Facility at the same time and we wheeled my mom to visit Freda so the friends could spend time together. Freda insisted that she lived in the Independent Living section of StoryPoint and took pride in her independence. I would often visit my mom during meal time so I too could spend time with the other ladies and enjoyed hearing Miss Freda’s sweet southern accented voice. I would guess that Miss Freda has reunited with her friends including my mom, and Miss Amy, and the ladies are enjoying each other’s company as they did for a number of years.

*Freda was one of the first women I met at StoryPoint when I moved my Mom in almost 4 years ago. I have to agree that she was one of the sweetest women I have ever met. I loved seeing her enjoying all the activities that were offered and I enjoyed many chats with her by the fireplace. She will certainly be missed by all those that were blessed to meet her. I hope to be just as lovely as her during my golden years. Prayers to you all.*
