“ Had honor of taking care of Helen for years and was a friend to me and my family.

“ Deb and I thought a lot of Helen. We would often ride the golf cart down to her place in the summer and chat for a while on her front porch. We are definitely going to miss her.

She was a hoot and always made Deb and I feel welcome at her home. She would also stop by our place and visit.

We're certainly going to miss her. Actually I miss her already. We loved that ole lady.
