“ I met Emil a few years ago online. We never met in person but we talked on the phone and did a video chat or 2. His mama wanted to make sure I was real and not some scammer out to get his money lol Can't blame her for that  
He talked a lot about his family, how he'd go to the jail with his sister to pray with the inmates, had a great live for his family and for God. I was so sad to hear of his death and wish I could've met him in person at least once. Just want to say that I'm so sorry for your loss and each of you are in my prayers. God will get you through this tragic time. God bless
