“ I figured a bear would be fitting considering it's coming from your fuzzy bear. God knows I'd love to hear you call me that again. I love you so much dude. Its wierd and I'm trying to come to grips with the fact you're gone. I never expected to get that call so soon. Rest easy. I hope you knew how loved you were and still are.

“ You were such an uplifting and positive light, always lifting others up and standing up for what you believed in. The world is a shade duller without you. Rest easy, you'll definitely be missed ❤️
