“ Heavenly father, I pray for your comforting hand upon this family, at this time of Loss. I ask that you give them strength, by knowing you are with them. She had many rolls here on earth, as a daughter, sister, wife & mother. Which in her absence leaves a very large void in many hearts. Please lord fill it with love & peace. And that the family can take comfort in knowing you are their to welcome her home. I ask all this.
In the Name of the Father, the Son and the Holy Spirit. Amen
