“ Larry was such a sweet person and a gentle spirit. At the coffee bar, he could never remember my name so he would just call out.: “Hey, half a cup!” I’m sure he is mixing up that special blend of his up in heaven, that could make an angel sing! Maybe we can have some of it at the Marriage Supper!

*Larry - always smiling - always sharing his sense of humor with everyone. He and Marsha were a team - if you saw one you knew the other wasn't far away. They loved serving God and others. They were two of the most dedicated, dependable and loyal members of House of Grace - stepping wherever they were needed. Please keep Marsha , the family and extended family in your prayers as they navigate through their loss and grief .*
