“ Granny, you were the most amazing woman I have ever known. You were a mother and a grandmother to many people. So many loved you and still do. I am missing you so very much, we all are but I feel confident in this one thing that the one in whom you believed has taken you to be with Him, and that brings to me true Peace and Comfort. I will carry with me your love, your prayers, your godly example, and your fierce love for life and family all the rest of the days of my life. Tell Pip I love him and still miss him too. I will always love you, Granny.
