“ *LeeAnn and I had been good friends for over 30 years, starting when AT&T transferred both of us to Atlanta, GA. We worked on many of the same projects together and I was always impressed with how smart and organized she was. We both became involved with the activities leading up to the 1996 Olympics and together enjoyed the many cultural events Atlanta has to offer. After I retired, I became Christopher's part time Nanny for 14 years and after Dave passed, assisted her in moving back to Kentucky. I had visited her there just last Spring after her parents died. My heart goes out to Christopher and the family and friends she leaves behind.*

“ I worked with Lee Ann at AT&T in the 1990s. The work product I am most proud of was the last thing I did at AT&T with her. She was an excellent partner in our task. We created a high quality product because of her professionalism and dedication to creating the best product we could. She was a fun and bubbly person who always brought joy to our meetings. I really missed working with her when I left AT&T. I will miss her. Our thoughts and prayers go to Christopher and her family.

“ Leeann and I celebrated our birthdays and Christmas holidays every year after we met in 1983 at local restaurants in the Cincinnati, Northern KY area with many other girlfriends! It was always fun and Leeann was always happy and smiling!

LeeAnn and I were good friends for over 30 years beginning with our careers at AT&T when we both arrived in Atlanta. We had an instant connection and enjoyed our volunteer work together and all the activities surrounding the Olympics in 1996. After retiring, I was Christopher's part time Nanny for about 10 years. LeeAnn and I shared many adventures together and I am so saddened by her passing. My thought and prayers to Christopher and her family.

“ Some of my favorite memories with my beautiful, dear friend Leeann was when she would visit me and we would go to Clearwater Beach for the day and have lunch at Frenchys Rockaway’s restaurant in the sunshine. We both loved the fresh seafood and especially the fresh grouper sandwiches! I have so many treasured memories with Leeann! One of our best most memorable, fun time together was attending the Lady Gaga concert downtown Tampa. I will cherish all of our fun memories together forever. I loved Leeann with all my heart! She was a wonderful woman and fantastic friend for the past 40+ years. Rest in peace my dear, wonderful friend!

God bless my dear beautiful friend Leeann of 40+ years! May she rest in eternal peace in Heaven with her parents who she missed and loved so much 🙏. Sweet Leeann and I met in 1983 both working at AT&T in Cincinnati, Ohio. We immediately connected and became lifelong friends over the past 40+ years! I relocated with AT&T to Tampa, Florida in 1988 and Leeann was relocated to Atlanta, GA. We never lost touch and Leeann came to visit me every year for 20+ years in Tampa. We had so much fun going to all of the theme parks in Tampa (Busch Gardens) and Orlando (Disney Epcot, Universal Studios, Gatorland and Sea world!) we had such wonderful times together. I will always treasure our times and memories together forever! My dear, sweet Leeann's happiest day of her life was when her son, Christopher was born!! Those were truly the best days of her life! I loved and love Leeann with all my heart and I will miss her sweet face and voice forever! Thank God for the day we met! I hope to see Leeann again someday as I know she is now a beautiful angel in heaven! Rest in peace my beautiful, dear friend in eternal peace in Gods kingdom until we meet again! Love you forever!
