“ Linda Gayle was my first cousin once removed (her mother was my first cousin) and although I am 10 years older than she, we grew up together. We were always close and shared many fine times. When I and some of the Carpenter clan went to Huntington this past Memorial Day, we called Linda and she drove up from Worthington to visit with us. I had no idea it would be the last time I'd see her. My condolences to her brother Bill and sister Shirley, and all the rest of her family.

“ I had the privilege of having Linda on my team at Bound Tree. She was kind and wonderful to everyone around her, quick to smile, and full of joy. I will remember her fondly and be glad for the time I knew her. I pray for comfort and peace for her and family in this difficult time.

“ Linda always had a beautiful smile to greet you with and warm embrace. She is one of the most caring people I have known. Always willing to lend an ear or shoulder if you needed it. She will be dearly missed.
