“ Wow.. where to begin.. Pearl came into my life around 12 years ago.. she came with her 2nd Husband Robert Bentle to our church to tune Piano in Hgtn WV.. Ever since then we have been close friends and family. I have visited many times with her and Bob whom I loved dearly.. After Bob passed several years ago, I didn't forsake visiting this sweet soul, went to lunch and breakfast several times, then she got to where didn't feel like venturing out much anymore so I brought it too her!! She loved to talk and sing about Jesus!! She also loved hugs and kisses.. my heart aches and now has a hole in it!!! Rest easy my friend! I will always cherish those memories!
