“ I'm truly saddened by your loss of Phillip. He was a great friend and pal to my family, Jim Zirkle's family, the community and his own Wonderful family. He could get angry yet smile through the storms of life. He's helped and cared about everyone he ever met. I met him in 1996 yet my husband Jim and him were great friends before then. If anybody needed help or guidance He was there providing it. He was a Special friend and man we can't replace despite how he suffered for so many years from Cancer. He could do almost anything he had a mind to do. Most of all his spouse, kids, grandkids and all friends were his family. We will miss Phillip dearly.
