“ The first time I heard brother Denver preach, and as at Chinn's Branch Church. I felt the Holy Spirit all over him and knew he was a man of God. I know he will be missed by his family and his church family. He's where he's always preached about now and at the feet of the Lord! Happy and enjoying his brand new home! God bless all of you and know that we are praying for all of you in your loss!

Denver was like a dad to me. I was a typical teenager and he always tried to keep me out of trouble. I remember trips to Kentucky with him. He will be very missed. It hurts to see him go but I know he is in a better place now

Rev. Woods had the men of the church come up to pray for my niece (age 45) who had stage 4 colon cancer in 2012 or 2013 and she is still alive today! I felt the Holy Spirit by fire as I sat there and I had that feeling for about a week after that off and on in my limbs. That church and Rev. Woods with others, helped my niece now age 59.
