“ I had known sweet Rita and Crystal since 1976. I was her paper boy and grass cutter for many many years. I knew when she was having bad days and good days. She loved her flowers and took great care in keeping her yard so beautiful. Once I became an adult, even when I would come home on leave from the Air Force, I would always stop and see her and even help out fixing things for her around the house. We would always sit at the kitchen table and chat about everything. Every time I would come in for a visit, Crystal would get a little excited and do her best to smile and wave. Rita and Crystal were so sweet. I sure do miss her. Rita, smile and keep hugging your beautiful Crystal.

“ I am Rita's cousin from upper Sandusky Ohio. My Mom and Rita's Mawmaw were sisters. We would get to travel to Ky. Every few years as we lived and live on a livestock farm. I have so many wonderful memories of Rita , Carol, Eddie Joe and Little Darcus. They also came up and stayed on the farm now and then. Rita and I were buddies. So many great memories. My husband David and I visited Rita a couple years ago and we went to a nearby steak house for Supper. She was so excited about eating out their. That she could it eat because She was visiting everyone in the restaurant. What a delightful time we had that day with Rita. May her sweet soul rest in Jesus loving arms. *Rita was one of the sweetest and purest hearts I have ever known. Her love for Christal was a wonder to watch! What love, strength, and devotion she showed everyday and night. She missed Christal and her family everyday. Her eyes would well up with tears when she talked about them. And, Oh my! Rita could dance!! I still have memories of her having a great time and laughing so hard on the dance floor when we were in college. Rest in peace and join in singing with the angels. Love you my friend*
