“ - Mommy I'll Love you Forever. Love doesn't fade, love doesn't stop, or go away. Still not sure how to get over the shock, or navigate life without you. I only take comfort, in the fact you'll never be in pain another day of your life... & you're up there with my sister, together again. I'll miss you for the rest of my days. Until I see you again, I'll Love you always- your daughter Meagon<3
