“ Robert always helped me watch over my two babies during our two-week visit with my brother Elva Madden & Family back in Nov 1963. For during those two weeks, Robert was always updating me on things such as, "Wilma Jean, Dewayne is going to hurt your baby!" Or telling me he might break something or get burned etc. In trying to get him to not be so concerned and to play a while, I told Robert, to stop telling me everything for I would be watching my babies now. *My Special Memory: One day, Robert ran to me calling out loudly, "Wilma Jean!" Then he stops quickly and just said, " I ain't going to tell, I ain't going to tell!"
