“ Tamia was like a son to me. He would feed my animals for me when he came out. He loved to eat and my fridge was open to him and he would make him a sandwich. I enjoyed our outings to Rallys and different places. I enjoyed talking with him and acting silly with him. He made me laugh most time when we parted it was a hug and I love you mom. He really did touch my life. Rest In peace Tamia.

“ I never met Tamia, he was the nephew of a relative, but reading his obituary, I realize it was my los. He sounds like a wonderful person. One I am sure is in Jesus's arms today, Living his best life in heaven. I am so sorry for the family's, friends and the community's loss. I think he made the world a better place to be with his presence. Fly High Tamia
