“ I just found out yesterday or I would have gone to her services. Virgie was one of the sweetest persons I have ever been around I only had the pleasure of knowing her for the past 2 years maybe we actually shared the same day for our birthdays. I have seen her go above and beyond for anyone that would ask countless times. For people she knew or a stranger from the streets, literally!! She was so funny at times!!! She was a dear friend and will truly be missed. Till we see each other again my dear friend. Rest in peace.

“ I treasure every moment we spent as kids and teenagers . I have heard this song on the radio and said I was going to follow it. Now I'm wishing I would have. Cause you said maybe we should get together one day and hang out and I've just been so busy. Folks if you ever get a chance listen to "If you got a chance take it" by Cody Johnson Love you Virgie !!! 🥹🥹🥹
